# Activities & Events

## Art Show

The OryCon Art Show features fantastical works from all facets of fandom. From steampunk to faeries, dragons to deathstars our artists translate their visions into two and even three dimensions! Stop by and see what your favorite local artist has been up to in the last year, and discover new artists who have recently joined us. While visiting the Art Show, be sure to fill out a ballot for the Member's Favorites Awards, and don't forget to fill out a Bidder Registration Card should you decide to join in the bidding! Art Show is located in the Exhibit Hall next to the Dealer's Room and is open to membership.

## Blood Drive

*(Located outside the Ballroom entrance near the Fan Tables)*

**Saturday 10am - 3pm**

Your OryCon committee is proud to announce that we will once again be hosting a Blood Drive during this year's convention! The drive will take place on Saturday, November 9th. You can schedule your donation time online ([orycon.org](http://orycon.org)) to ensure you get in when you want.

## Child Care

Childcare will be provided by professional adult nannies. The parent or legal guardian must sign a medical waiver so that the nanny can release the child for emergency medical care in the event of an emergency and the parents cannot be located in a timely fashion. We also require a liability waiver. Both forms will be available at check in. Scrip will be available at the rate of \$5 per hour or 5 hours for \$20. For security purposes the room number will only be given to scrip purchasing convention members at the OryCon Office. Waivers are available on the [orycon.org](http://orycon.org) website.

Low allergy healthy snacks, safe toys, G-rated videos, games and arts and crafts will be available. We plan on having beds and a playpen for naps in a separate room from the play area, in case your child needs quiet time. The kids always have a lot of fun. We do not have any spare diapers so please leave all the necessary supplies for infants and toddlers in training pants. Pajamas might be a good idea if the child is staying late. Hot meals, bottle or spoon feeding snacks, medication and special nutritional needs, are the responsibility of the parents. Please alert the nannies of any allergies.

This service is provided on a first-come, first-served basis. The nannies are legally allowed to take only a certain number of kids (total number

is age dependent) at a time. A \$10 surcharge will be applied for late pickup.

For more information or to donate child-appropriate items please contact Ilia Whitney at [childcare@orycon.org](mailto:childcare@orycon.org).

## Children's Programming/OryKids

As part of an effort to expand children's programming and make OryCon a more family-friendly event, children's programs explore many fan interests: gaming, crafts, costuming, music, science, and stories/writing; and are scheduled in one centrally located room. We have tried to widen the age range to 3-12 (approximately,) for different activities. Special events this year: a dance, a jam session and a costume parade! Please note that our programs are not childcare and that OryCon rules and common sense should guide you in whether or not to accompany your child. We hope to see you in the Broadway room!

## Creation Station

Creation Station is a unique programming track full of exciting workshops and events, from the most G-rated to some for adults 18+. Our overall gestalt approach to programming is to be a warm welcome wagon

for anyone, of any age and any skill level, who is new to something – OryCon, science fiction cons, being a panelist, experimenting with a type of fan creation, or a type of fan performance encouraged in one of our panels. While OryCon has been our home base for 5 years, Creation Station crew first coalesced at Kumoricon, 2004, and we have always actively included teens and young adults as among our core panelists and content designers, as well as among our core attendees for our G through PG-13 programming.

Our panels are all about audience participation. They are usually either DIY, teaching attendees how to engage a type of writing, editing, art, craft, costuming, cosplay, etc.; or they are hands-on crafts, usually with attendees leaving with something they can take home, including our crafts for the youngest kids; or they include fandom celebrations and other open mics for audience participation. While most of our panels are in the Washington room, 3 of our Friday night Whovian panels are in Jefferson-Adams, and some of our other late night or early morning panels are in Ross Island and Roosevelt.

## Daily Zine - The OryConian

### Read the latest con news in the daily zine!

Seek out the daily OryCon newsletter and discover announcements, programming updates, and conversation tidbits humorously taken out of context.

The Friday and Saturday zines appear by early afternoon. The Sunday issue, distributed by noon, wraps up the con and contains final announcements like contest winners.

Fans can pick up copies in the Office, Registration, Info Desk, and various other convention spaces.

People with news for the zine can drop off copy in the Office. Good submissions include fannish event announcements, reports of funny things seen at OryCon, and reports of un-funny things people should be warned about. We once got a crossword puzzle, which was cool and unexpected.

The most popular column is "Overheard in Passing" containing oddball things said at the con without the context in which they made sense. For example: "You know, there's no reason ninjas couldn't attack me here." or "Down the hall. It's a 10 x 10 room with an orc in it." Fans love reading these and are welcome to drop off their own observations.

## Dealers Room

Need that perfect gear for your steampunk outfit? Looking for a particular book? A fabulous piece of jewelry? Curious to know what the latest games are? A clever T-shirt? Come to the Dealer's Room! We have almost 40 vendors just waiting to supply you with almost anything your heart desires. We're across the way from the main lobby, in the Exhibit Hall (next to the ground floor of the parking garage.) Come visit!

## Open & Scheduled Gaming

Gaming returns to OryCon 35, sponsored by our sister convention GameStorm ([gamestorm.org](http://gamestorm.org)). Come visit the Cascade rooms upstairs

and try your hand at one of the many games in the game library or try out one of the new ones you just grabbed in the dealers hall. Scheduled games will be listed via the electronic program ([orycon35.sched.org](http://orycon35.sched.org)). Be sure to check for announcements at the bulletin board next to the GameStorm library.

## Hall Costumes

What would a con be like without people in costumes roaming the halls? A lot less colorful all around and perhaps a bit less interesting for some. Costumes that people can see up close can be fascinating regardless of whether the outfit is simple or extravagant. It is a form of self-expression called wearable art and while some may say “Art who?”, many would be disappointed to see it disappear. Hall costumes have started many a conversation and more than a few friendships. They’ve been around since the early days of the conventions and will most likely (hopefully) be around for a long time to come. Why do we give awards to people who make and/or wear these sometimes-silly, sometimes-scary, frequently thought provoking creations? To say “Thank You” for visually livening up a weekend for a lot of people and for having the courage (and talent) to do so. So to everybody in the “funny clothes” this weekend -- Thank you!

## Hospitality

Hospitality is a perk where all membership can find lots of good munchies --both healthy and not-so-healthy. Does your panel schedule not leave enough time to visit a restaurant? Up at the wee hours of the morning and nothing seems open? Come join us at hospitality for snacks, quick food at meal time hours, or all-night nibbles for when you get the munchies. When you wake up, at what ever hour that happens to be, wander in for a fresh-brewed cup of coffee and some friendly, fandom conversation.

## Writer's Rest Hospitality Bar

Need a break after a long day at the Con? Just want to kick back with like minded people? Maybe you just need a beer/cider? Come join us at Writer's Rest, the OryCon bar. It's a buck-a-bottle and plenty of room to sit down grab a handful of tasty treats and enjoy a few minutes of cheer. That's right folks, we said a buck-a-bottle! Can't beat that with a Gelfling, er...a stick! Located down the hall from the Hospitality Suite; come on in and join us. 21 and over please.

## Masked Balls & Dances

Join the Courts of the Fae for the musical stylings of DJ Dirty Mollie McBain and the Seelie & Unseelie Ball! Whatever court you pay allegiance to, don your fae finery and then join us for the festivities of music and dance. The Seelie Ball on Friday night (beginning around 9pm) will include more traditional forms of dance and music; from traditional Ballads of the English Isles to Big Band and Ragtime. The Seelie style of music will grow more energetic and modern as the evening draws on. The Unseelie Ball on Saturday night

will be more in tune with the more chaotic whims of the Winter Court Fae. The Unseelie Ball will begin after the Masquerade has concluded and the ballroom has been set up for dancing. The dances are open to all ages, with traditional convention music at midnight, and a cash bar to wet your whistle.

## Masquerade Ball

On Saturday evening, OryCon will again host the Masquerade costume presentation and contest. Join us onstage or in the audience. Doors will open approximately 30 minutes prior to start time for general seating. Contestants will be showing off their costumes and competing for memberships to next year's OryCon, gifts cards, and goodie bags. Prizes are given for child, teen, adult, and group contestants. If your group wins, it will be up to the group leader to determine how the prizes will be divided amongst the group. During the masquerade, contestants will have an opportunity to be photographed as well. Be sure to stay for the intermission show with special performances by our talented Filk Guests of Honor Debs & Errol.

Registration forms are available on the OryCon website and at the OryCon Office. Please drop off a completed form at the OryCon Office before 3:30pm Saturday. All participants need to assemble at the Masquerade Assembly Area (Mult/Holl) by 6:00pm. Anyone who has NOT pre-registered for the Masquerade needs to arrive 30 minutes early (5:30pm) to complete the required registration forms.

## Music & New Song Contest

OryCon continues its tradition of a strong music program with Friends of Filk GoHs Debs and Errol, the return of Alexander James Adams, Molly Lewis, Rob Wynne, and many familiar performers and programs, including the ever-popular Jam, which this year will be in the key of Eh? And, of course, we'll have circles late into the night.

Returning to the OryCon music track is the New Song Contest. A theme will be announced and entries must be composed at the con. Two hours prior to presentation, lyrics must be submitted for review to Daniel Reitman ([dreitman@spiritone.com](mailto:dreitman@spiritone.com)) or Andrew Ross ([admnaismith@hotmail.com](mailto:admnaismith@hotmail.com)) in person or via email. A detailed explanation of the rules can be found on the web ([www.orycon.org](http://www.orycon.org)) and on the electronic schedule.

## Open Reading Critiques (ORC)

An Open Read & Critique (ORC) is an opportunity to read the first 750 words of your short story or novel aloud to your peers and receive a Clarion-style critique of your work. Our theme is "How to Hook a Reader." All writers and genres are welcome! Look for sign-up sheets outside our meeting room starting Friday morning (first come, first served). Content should be rated PG-13 and contain no explicit sex, graphic violence, or excessive profanity. More info online at [www.orycon.org](http://www.orycon.org).

## Writer's Workshop

OryCon's Writers' Workshop is a great way to get your writing in front of local professional editors and authors for helpful critique feedback. Have you ever thought about what a professional in the writing field might think of your short story or novel? Have you ever sent out a manuscript and wondered if the editor is thrilled, bored or something in between? Wonder no more! Our popular workshop sessions provide the opportunity to listen to friendly, but frank feedback of your manuscript in small, private group settings. Look for our 2014 manuscript submission window early next summer!

## Volunteers

On top of the amazing feeling of helping out, we also offer free swag to the volunteers on the last day of con. The swag comes straight from the vendors' tables and includes lots of wonderful items that are donated just to reward the volunteers. Those who volunteer the most hours pick an item first and then so on down the line. So the more hours you volunteer, the higher chance of picking your swag first!

So, got an hour to kill? Want to help out? Just want some free swag for sitting in a chair? Please contact [volunteers@orycon.org](mailto:volunteers@orycon.org) for more information.

# Restaurant & Services Guide

*A more detailed guide can be found at [orycon.org](http://orycon.org) and [orycon35.sched.org](http://orycon35.sched.org)*

Welcome to Portland, which has more breweries than any other city in the world. All indoor sections of restaurants, bars, and stores in Oregon are firmly non-smoking.

Buses, the streetcar and light rail trains all use the same ticket. A two-hour ticket costs \$2.50, or \$5 for an all-day pass. Buses require exact change, but many light rail stations have ticket machines accepting credit and debit cards. Some even take cash and give change. Visit [www.trimet.org](http://www.trimet.org) for more information, maps, and door-to-door trip planning.

Most of the restaurants below are within walking distance (one mile). None listed requires dress more formal than a shirt and jeans. Many dineries along Broadway are in remodeled houses; there may be stairs to climb to get to the food, so you may wish to call ahead to ask.

**STARBUCKS**— The closest is in Lloyd Center, across from the Doubletree. The next closest is in the Safeway just north of Lloyd Center (on the other side of the shopping center from the con hotel). There's also another Starbucks a few blocks east of Safeway.

## OSFCI Code of Conduct

Oregon Science Fiction Conventions, Inc. does not tolerate discrimination or harassment of any kind, including but not limited to physical assault, battery, deliberate intimidation, stalking or unwelcome physical contact. This policy applies to your interactions with fellow con-goers, program participants, hotel employees, and guests of the hotel. Be respectful of and courteous towards others. If you have graduated from kindergarten, we expect you to understand that you need to ask before you touch and that “no” means “no”. If someone tells you “no” or “go away”, your business with them is done. Note that falsely reporting harassing behavior is, itself, a harassing behavior under this code of conduct.

If you feel have been harassed, please find the nearest OryCon volunteer, identifiable by a burgundy badge ribbon with gold lettering. Alternately, please contact the Information Desk in the lobby, the Office staff in the Weidler room during operating hours, or the Operations staff at any time in the Portland room on the second floor.

Violation of this policy may result in action by the con committee ranging from warnings to having your badge revoked with no refund, and the decision of the event chair is final. Action by the convention in no way precludes the injured individual or the hotel from pursuing whatever remedies, civil or criminal, they see fit.

After the event, OSFCI may take further action,

including banning you from further events.

Please note that other behaviors, including but not limited to destruction of hotel property, can also result in the actions described above.

A copy of the procedures for enforcement of this code are available on the OSFCI web site at [osfci.org/code.html](http://osfci.org/code.html).

## Smoking Policy

We are at the same hotel this year, local laws and conventions leave the smoking policy unchanged. Smoking is prohibited throughout all DoubleTree properties. This means no smoking on hotel grounds, per DoubleTree policy. The park across the street is available until it closes at midnight. Please remember there is no smoking at the TriMet station either.

## Party Policy

What is a party? Any event held in hotel space where fliers are posted; public invitations are given out (verbally or written); or if Convention Committee or Hotel Security deems it to be a party.

Rules: A member of OryCon must register the party with Orycon Hotel Liaison. This person will be responsible to see that the rest of the rules are followed in their party.

**NEW:** The hotel policies on signage have changed. See the new Signage Policy for clarification.

The list of parties will be handed off to the OryCon Party Coordinator at con.

Responsible individual must not be under the influence of alcohol.

A contact list for individuals responsible for each party must be given to the Orycon Party Coordinator prior to the event.

If alcoholic drinks are served ALL members must show valid identification.

Responsible individual must attend their party during party hours, or if needed, leave someone connected with them in charge with a way to be contacted if they are required to be somewhere else.

No alcoholic drinks in other hotel or convention space. All alcohol must remain in the party room.

Comply with all hotel rules and Oregon state law. If you do something that gains the attention of the hotel (noise complaints, smoking, etc.) then the person or persons responsible for the room and party are responsible for any fines or legal problems that may arise.

## Weapons

The wearing of weapons or anything that may resemble a weapon is prohibited. The use of a weapon as part of a Masquerade event costume must be approved by the Masked Ball director before the event, and may only be worn during, in transit to, or from the event. Failure to comply with this policy is grounds for immediate expulsion from the convention. Any weapons purchased in the Dealer's Room or Art Show must be securely wrapped

before leaving the Exhibit Hall and stored in a hotel room, vehicle, etc. We understand that most people who want to display weapons are careful and responsible. However, due to the present liability laws, the risk of accident or distress, and to preserve good relationships with hotel staff, we have adopted this policy. Please keep weapons in your rooms.

## Child Policies

All children must be registered with the convention, and all children purchasing memberships must be accompanied by an adult. Children ages 5 and under are admitted to the convention without charge and will be issued a badge that must be kept with the child (or a nearby diaper bag, for example) rather than with one of the parents. The child must be under the supervision of an adult, or in the official Child Care Area, at all times. If a young child is found unattended, he or she will be delivered to the Child Care Area and the responsible adult(s) will be billed.

Children ages 6-12 are admitted at half the adult price and may operate independently as long as they cause no problems. Those not capable of operating responsibly on their own must be kept under adult supervision or taken to the official Child Care Area.

All children 12 or under must be under direct adult supervision after 8 PM. Children 8 and over may work as convention volunteers, but those ages 8-11 may do so for no more than 4 hours per day. Those ages 12-16 may do so for no more than 6 hours per day.

## Photo Policy

By entering the OryCon convention space, members consent to video and/or audio recording by both OryCon staff and other event attendees. Visual recording includes both photography and videography. Some convention spaces or events will prohibit or restrict visual and/or audio recording; signs will be posted indicating such restrictions.

For the purpose of visual recording, OryCon event spaces are not public. Attendees may ask photographers and videographers to not be specifically recorded; however, unintentional or non-specific recording is likely due to the nature of the convention. People have a reasonable expectation of privacy and the right to control visual and audio recording in their hotel rooms.

When stopping for photography in a hallway, please be brief and do not block the flow of hallway traffic. Be aware that a flash or other light source may interfere with event activities.

OryCon will only accept submissions if they include an explicit statement from the owner of the work giving OryCon permission to reproduce, publish, and distribute the work for the purpose of promoting OryCon. Submissions must be sent in the form of links to online galleries (Flickr, YouTube, Photobucket, Facebook, etc.). Attachments will be ignored. Please send all submissions to [photos@orycon.org](mailto:photos@orycon.org).

## Signage Policy

OryCon staff and attendees may only put up signage with blue painters tape in the following approved areas (tape **MUST** be on the backside of signage and not visible): Inside OryCon space (in panel rooms and ballrooms); on easels provided for signage; on panel room doors when printed on the official template; the walls of the elevator landings on the 14th and 15th floors. Flyers may also be posted on the OryCon-provided easels or signposts (check at the Info Desk for locations).

Flyers need to be printed per the hotel provided template. A copy of the template is available in the OryCon Office.

Do not post signs in the following areas: elevators; lobby, restaurants, and coffee bar; hotel public restrooms; any entry/exit door to the Hotel. Signs posted in disallowed places will be removed.

## Have a question?

Visit the Info Desk (located in the hotel lobby, across from the coffee bar) or ask anyone wearing a burgundy ribbon with gold lettering (ConCom ribbon).
