# Activities & Events

## Art Show

The OryCon Art Show features fantastical works from all facets of fandom. From steam-punk to faeries, dragons to deathstars, our artists translate their visions into two and even three dimensions! Stop by and see what your favorite local artist has been up to in the last year, and discover new artists who have recently joined us. While visiting the Art Show, be sure to fill out a ballot for the Member's Favorites Awards, and don't forget to fill out a Bidder Registration Card should you decide to join in the bidding!

Featured events this year include body painter extraordinaire Matt Huntley. Drop by the foyer area of the Exhibit Hall on Saturday and watch as he transforms a live model into a work of art. Scheduled Artist Demos and Sketchbook Critiques are happening on Friday and Saturday, and Saturday morning, Mark Chapman will hold a Kinetic Sculpture Build and Race. This event is limited to 10 participants, materials will be provided. Sign up at the Art Show desk Friday afternoon (2pm-6pm).

Art Show is located in the Exhibit Hall next to the Dealer's Room and is open to membership. Please do not bring in any food or drink.

No photography is allowed in the Art Show. Want to help run Art Show next year? Meet artists, help with sales, and hang out with the cool kids? Drop a line to [artshow@orycon.org](mailto:artshow@orycon.org) and we'll sign you right up!

## Author Alley

Exciting new times between the Dealer's Room and Art Show! This year we're trying on "Author's Alley". A row of author's tables, vendors all, will be laid out along the curtain wall separating the Art Show from the Dealer's Room, on the Art Show side of the wall. As it is inside the Exhibit Hall, and an extension of the Dealer's Room, the hours are the same as the Dealer's Room.

## Blood Drive

### Saturday 10am - 3:30pm

Located outside the Ballroom entrance near the Fan Tables. Your OryCon committee is proud to announce that we will once again be hosting a Blood Drive during this year's convention! The drive will take place on Saturday, November 9th. You can schedule your donation time online ([orycon.org](http://orycon.org)) to ensure you get in when you want.

## Child Care

Childcare will be provided by professional adult nannies. The parent or legal guardian must sign a medical waiver so that the nanny can release the child for emergency medical care in the event of an emergency and the parents cannot be located in a timely fashion. We also require a liability waiver. Both forms will be available at check in. Scrip will be available at the rate of \$5 per hour or 5 hours for \$20. For security purposes the room number will only be given to scrip purchasing convention members at the OryCon Office. Waivers are available on the [orycon.org](http://orycon.org) website.

Low allergy healthy snacks, safe toys, G-rated videos, games and arts and crafts will be available. We plan on having beds and a playpen for naps in a separate room from the play area, in case your child needs quiet time. The kids always have a lot of fun. We do not have any spare diapers so please leave all the necessary supplies for infants and toddlers in training pants. Pajamas might be a good idea if the child is staying late. Hot meals, bottle or spoon feeding snacks, medication and special nutritional needs, are the responsibility of the parents. Please alert the nannies of any allergies.

This service is provided on a first-come,

first-served basis. The nannies are legally allowed to take only a certain number of kids (total number is age dependent) at a time. A \$10 surcharge will be applied for late pickup. For more information or to donate child-appropriate items please contact Ilia Whitney at [childcare@orycon.org](mailto:childcare@orycon.org).

## Children's Programming/OryKids

We have been expanding children's programming in the last few years to help make OryCon a more family-friendly event. OryKids programs explore fan interests like gaming, costuming, science, crafts and stories/writing; and are scheduled in one centrally located room. We have widened the age range to (approximately) 3-12 for different activities. Special events for 2014 will include a dance, a costume parade, morning box fort play times and gaming activities with the folks from the Interactive Museum of Gaming and Puzzlery (IMOGAP)! Please note that our programs are not childcare and that OryCon rules and common sense should guide you in whether or not to accompany your child.

## Creation Station

A warm welcome wagon for anyone, of any age and any skill level, Creation Station is for people who are new to something – OryCon, science fiction cons, being a panelist, experimenting with a type of fan creation or performance. Our panels are about audience participation. They are usually either DIY, teaching attendees how to engage a type of writing, editing, art, craft, costuming, cosplay, or they include fandom celebrations. While OryCon has been our home for 6 years, we got our start in anime cons, and a lot of our content has been designed by and for teens and young adults, with a lot of appeal for tweens. Our new hands-on how-to workshops this year include learning to make Amigurumi, Light-Up TARDIS Hats, re-purposed leather props, anodized titanium, and Hunger Games District Pins.

## Costume Contest

We have some incredible costumers and cosplay enthusiasts in our membership, and to encourage that sector of our community, we will be staging a more traditional competition. We will have a panel of three judges, including our cosplay GoH, Jesse Lagers!

There will be three categories for the competition: **Cosplay**, for those that want to compete against others that focus on developing a

character with careful attention to detail, accuracy and technique. **Costuming**, for individuals or small groups that have created a cool idea or project, with less emphasis on the details of creation and more on the presentation and effect. **Kids**, for our contestants under 18 that wish to show off their awesome outfits. Teenagers 16 and above can compete in the first two categories if they wish, but the kids category is to encourage younger competitors to show us what they've got, even if they don't have the resources to develop something at the higher levels.

The competition starts Saturday at 6pm in the Multnomah/Holladay ballroom. Kid's judging starts first, followed by costuming and then cosplay. Photos are being taken in Ross Island during the same period.

Contestants will need to be prepared to gather before the contests for picture taking and organization. Please get a registration form from the office prior to the contest and bring it with you to the Ross Island room between 5pm-5:30pm Saturday. Children participating in the OryKids Costume Parade should come directly to the Ross Island room after they are finished.

If you wish to compete in the Cosplay category, please bring your completed form to the main ballroom promptly at 4:30pm Saturday to meet with the judges.

## Dances

This year we have a new DJ for your enjoyment who will be rocking the ballroom Friday and Saturday nights. His name is DJ Ahkren and he boasts having more songs than iHeart Radio. Expect to hear beats to get you on your feet. He will be bringing some new remixes along with our midnight must haves. Dance begins at 10pm in the Multnomah/Holladay ballroom. We hope to see you there!

## Dealer's Room

Need that perfect gear for your steampunk outfit? Looking for a particular book? A fabulous piece of jewelry? Curious to know what the latest games are? A clever T-shirt? Come to the Dealer's Room! We have almost 40 vendors just waiting to supply you with almost anything your heart desires. We're across the way from the main lobby, in the Exhibit Hall (next to the ground floor of the parking garage.) Come visit!

If your club/guild/committee/alliance/group of friends would like a free area to host a get-together, please email [fanlounge@orycon.org](mailto:fanlounge@orycon.org) for current openings in the schedule, or sign up on the door of the lounge at the convention. View [orycon36.sched.org](http://orycon36.sched.org) latest schedule information. Refreshments will be provided, and the only requirement is that your event is open and welcoming to any fans who might wander in. Folks just looking for a place to sit and relax are welcome, too!

## Hall Costumes

What would a con be like without people in costumes roaming the halls? A lot less colorful all around and perhaps a bit less interesting for some. Costumes that people can see up close can be fascinating regardless of whether the outfit is simple or extravagant. It is a form of self-expression called wearable art and while some may say "Art who?", many would be disappointed to see it disappear. Hall costumes have started many a conversation and more than a few friendships. They've been around since the early days of the conventions and will most likely (hopefully) be around for a long time to come. Why do we give awards to people who make and/or wear these sometimes-silly, sometimes-scary, frequently thought provoking creations? To say "Thank You" for visually livening up a weekend for a lot of people and for having the courage (and talent) to do so. So to everybody in the "funny clothes" this weekend—Thank you!

## **Hospitality** (Rm 1555)

Hospitality is a perk where all membership can find lots of good munchies—both healthy and not-so-healthy. Does your panel schedule not leave enough time to visit a restaurant? Up at the wee hours of the morning and nothing seems open? Come join us at Hospitality for snacks, quick food at meal time hours, or all-night nibbles when you get the munchies. When you wake up, at what ever hour that happens to be, wander in for a fresh-brewed cup of coffee and some friendly, fandom conversation.

Our menu this year features Pulled Pork Sandwiches Friday night and a Saturday night Taco Bar. Breakfast will be the usual suspects with bagels, toast, cereal, breakfast breads, fruit and oatmeal. Lunch will have sandwich and salad fixings, wraps, meats, cheeses and crackers. We will have options for all diet types and ingredient lists will be posted on food at time of service. Please note food and drink cannot be taken from Hospitality.

## **Writer's Rest Hospitality Bar** (Rm 1563)

Come on up to Writer's Rest, the OryCon bar. A quiet place for those 21 and up, Writer's Rest is in memory of all the writers that have left this plane of reality. We lost Jay Lake this year, so

in memory of him and others, come visit us on Friday and Saturday nights and toast their memory. Located down the hall from the Hospitality Suite; come on in and join us. 21 and over please.

## **Music & New Song Contest**

A grand welcome to our Music GoHs, Vixy and Tony! They've been favorites in Seattle for years, and we're happy to have them on the big stage this year. The Doubleclicks are back! Catch their Sunday morning concert. Welcome to our new performers, C.D. Woodbury and Riona Aibhann. PDX BroadSides are back after their popular OryCon debut. Former Friends of Filk GoH Jeff Hitchin is returning for the first time in several years. Old favorites playing include Frank Hayes, Cecilia Eng, and Dave Rogers.

The filk world lost a legend this year. Come to the Joe Bethancourt Memorial Filk panel on Saturday to remember the man from the overland stage.

We'll be announcing the theme for this year's new song contest on Friday at the con. Test your songwriting skills for a chance to win a gift certificate from Friends of Filk. Two hours prior to presentation, lyrics must be submitted for review to Daniel Reitman ([dreitman@spiritone.com](mailto:dreitman@spiritone.com)) or Andrew Ross ([admnaismith@hotmail.com](mailto:admnaismith@hotmail.com)) in person or via email. A detailed explanation of the rules

can be found on the web ([www.orycon.org](http://www.orycon.org)) and on the electronic schedule ([orycon36.sched.org](http://orycon36.sched.org))

## Open Reading Critiques (ORC)

An Open Read & Critique (ORC) is an opportunity to read the first 750 words of your short story or novel aloud to your peers and receive a Clarion-style critique of your work. Our theme is "How to Hook a Reader." All writers and genres are welcome! Look for sign-up sheets outside our meeting room starting Friday morning (first come, first served). Content should be rated PG-13 and contain no explicit sex, graphic violence, or excessive profanity. More info online at [www.orycon.org](http://www.orycon.org).

## Writer's Workshop

OryCon's Writers' Workshop is a great way to get your writing in front of local professional editors and authors for helpful critique feedback. Have you ever thought about what a professional in the writing field might think of your short story or novel? Have you ever sent out a manuscript and wondered if the editor is thrilled, bored or something in between? Wonder no more! Our popular workshop sessions provide the opportunity to listen to friendly, but frank, feedback of your manuscript in small, private group settings. Look for our 2015 manuscript submission window next June!

# Restaurant & Services Guide

*A more detailed guide can be found at [orycon.org](http://orycon.org) and [orycon36.sched.org](http://orycon36.sched.org)*

Welcome to Portland, which has more breweries than any other city in the world. All indoor sections of restaurants, bars, and stores in Oregon are firmly non-smoking.

Buses, the streetcar and light rail trains all use the same ticket. A two-hour ticket costs \$2.50, or \$5 for an all-day pass. Buses require exact change, but many light rail stations have ticket machines accepting credit and debit cards. Some even take cash and give change. Visit [www.trimet.org](http://www.trimet.org) for more information, maps, and door-to-door trip planning.

Most of the restaurants below are within walking distance (one mile). None listed requires dress more formal than a shirt and jeans. Many dineries along Broadway are in remodeled houses; there may be stairs to climb to get to the food, so you may wish to call ahead to ask.

**STARBUCKS**— The closest is in Lloyd Center, across from the Doubletree. The next closest is in the Safeway just north of Lloyd Center (on the other side of the shopping center from the con hotel). There's also another Starbucks a few blocks east of Safeway.

# Policies

## OSFCI Code of Conduct

Oregon Science Fiction Conventions, Inc. does not tolerate discrimination or harassment of any kind, including but not limited to physical assault, battery, deliberate intimidation, stalking or unwelcome physical contact. This policy applies to your interactions with fellow con-goers, program participants, hotel employees, and guests of the hotel. Be respectful of and courteous towards others. If you have graduated from kindergarten, we expect you to understand that you need to ask before you touch and that “no” means “no”. If someone tells you “no” or “go away”, your business with them is done. Note that falsely reporting harassing behavior is, itself, a harassing behavior under this code of conduct.

If you feel you have been harassed, please find the nearest OryCon volunteer, identifiable by a burgundy badge ribbon with gold lettering. Alternately, please contact the Information Desk in the lobby, the Office staff in the Weidler room during operating hours, or the Operations staff at any time in the Portland room on the second floor.

Violation of this policy may result in action

by the con committee ranging from warnings to having your membership revoked with no refund, and the decision of the event chair is final. Action by the convention in no way precludes the injured individual or the hotel from pursuing whatever remedies, civil or criminal, they see fit.

After the event, OSFCI may take further action, including banning the offender from further events.

Please note that other behaviors, including but not limited to destruction of hotel property, can also result in the actions described above.

A copy of the procedures for enforcement of this code are available on the OSFCI web site at [osfci.org/code.html](http://osfci.org/code.html).

## Smoking and Vaping Policy

By Hilton policy, smoking and vaping are prohibited in all DoubleTree properties, including but not limited to sleeping rooms, meeting areas, and the restaurant and bar. They are also prohibited outside in most areas close to the hotel entrances and air intakes. You can smoke or vape outside the ballroom entrance if you remain more than 25 feet from the doorway. The park across the street is available until it closes at midnight. Please remember there is no smoking at the TriMet station either.

CONVENTION POLICIES

## Party Policy

What is a party? Any event held in hotel space where fliers are posted; public invitations are given out (verbally or written); or if Convention Committee or Hotel Security deems it to be a party.

Rules: A member of OryCon must register the party with OryCon Hotel Liaison. This person will be responsible to see that the rest of the rules are followed in their party.

NEW: The hotel policies on signage have changed. See the new Signage Policy for clarification.

The list of parties will be handed off to the OryCon Party Coordinator at con.

Responsible individual must not be under the influence of alcohol.

A contact list for individuals responsible for each party must be given to the OryCon Party Coordinator prior to the event.

If alcoholic drinks are served, ALL members must show valid identification.

Responsible individual must attend their party during party hours, or if needed, leave someone connected with them in charge, with a way to be contacted if they are required to be somewhere else.

No alcoholic drinks in other hotel or

convention space. All alcohol must remain in the party room.

Comply with all hotel rules and Oregon state law. If you do something that gains the attention of the hotel (noise complaints, smoking, etc.) then the person or persons responsible for the room and party are responsible for any fines or legal problems that may arise.

## Weapons

The wearing of weapons or anything that may resemble a weapon is prohibited. The use of a weapon as part of a Masquerade/Costume event costume must be approved by the event director before the event, and may only be worn during, in transit to, or from the event. Failure to comply with this policy is grounds for immediate expulsion from the convention. Any weapons purchased in the Dealer's Room or Art Show must be securely wrapped before leaving the Exhibit Hall and stored in a hotel room, vehicle, etc. We understand that most people who want to display weapons are careful and responsible. However, due to the present liability laws, the risk of accident or distress, and to preserve good relationships with hotel staff, we have adopted this policy. Please keep weapons in your rooms.

## Masks

The hotel requires that no facial masks be worn in the lobby area for security reasons. There will be signs denoting the boundaries of the no-masks areas. In addition, people wearing full face paint will not be served alcohol in the restaurant, bar and Writer's Rest (they have to be able to tell whether you and your ID match). For everyone's comfort, please keep these rules in mind.

## Child Policies

All children must be registered with the convention and must be accompanied by an adult. Children ages 5 and under are admitted to the convention without charge and will be issued a badge that must be kept with the child (or a nearby diaper bag, for example) rather than with one of the parents. The child must be under the supervision of an adult, or in the official Child Care Area, at all times. If a young child is found unattended, he or she will be delivered to the Child Care Area and the responsible adult(s) will be billed.

Children ages 6-12 are admitted at half the adult price and may operate independently as long as they cause no problems. Those not capable of operating responsibly on their own

must be kept under adult supervision or taken to the official Child Care Area.

All children 12 or under must be under direct adult supervision after 8 PM. Children 8 and over may work as convention volunteers, but those aged 8-11 may do so for no more than 4 hours per day. Those aged 12-16 may do so for no more than 6 hours per day.

## Photo Policy

By entering the OryCon convention space, members consent to video and/or audio recording by both OryCon staff and other event attendees. Visual recording includes both photography and videography. Some convention spaces or events will prohibit or restrict visual and/or audio recording; signs will be posted indicating such restrictions.

For the purpose of visual recording, OryCon event spaces are not public. Attendees may ask photographers and videographers to not be specifically recorded; however, unintentional or non-specific recording is likely due to the nature of the convention. People have a reasonable expectation of privacy and the right to control visual and audio recording in their hotel rooms.

When stopping for photography in a

hallway, please be brief and do not block the flow of hallway traffic. Be aware that a flash or other light source may interfere with event activities.

OryCon will only accept photo submissions if they include an explicit statement from the owner of the work giving OryCon permission to reproduce, publish, and distribute the work for the purpose of promoting OryCon. Submissions must be sent in the form of links to online galleries (Flickr, YouTube, Photobucket, Facebook, etc.). Attachments will be ignored. Please send all submissions to [photos@orycon.org](mailto:photos@orycon.org).

## Signage Policy

OryCon staff and attendees may only put up signage with blue painters tape in the following approved areas (tape **MUST** be on the backside of signage and not visible): Inside OryCon space (in panel rooms and ballrooms); on easels provided for signage; on panel room doors when printed on the official template; the walls of the elevator landings on the 14th and 15th floors. Flyers may also be posted on the OryCon-provided easels or signposts (check at the Info Desk for locations).

Flyers need to be printed per the hotel

provided template. A copy of the template is available in the OryCon Office.

## Lost & Found

Lost and Found is located in the Operations Office. Following a convention or event, all unclaimed lost and found pertaining to that convention or event will be logged and placed in a box with the convention year and a list of the contents. Also listed on the box will be a date three years later.

Every year, for three years, this box will be brought to the corresponding convention where its contents can be claimed. After three years, as marked on the box, the contents remaining will be donated to an appropriate charity, or thrown out as deemed appropriate.
